

ROSIE'S GIRLS®

DIRECTIONS

ESSEX JUNCTION

Rosie's Girls is in the Building Technology Facility at the Center for Technology, Essex in Essex Junction, VT.

FROM INTERSTATE 89:

- ✓ Take exit 12 to Taft Corners/Williston.
- ✓ Go north on Route 2A through Taft Corners shopping area, past the dam, past IBM, and into Essex Junction to the Five Corners intersection (see below for further directions).

FROM BURLINGTON:

- ✓ Take Route 15 into Essex Junction to the Five Corners intersection (see below for further directions).

FROM FIVE CORNERS:

- ✓ Take Main Street (Route 15) through the intersection (past Road Res-Q on the right and the First Congregational Church on the right, Martone's Deli on the left).
- ✓ From Route 15, turn left at the first light after Five Corners onto Crestview.
- ✓ Take your first right onto Drury Drive.
- ✓ Take the first left onto Meadow Terrace.
- ✓ Go to end of road (the road turns to dirt and goes down a hill to CTE's Building Tech building).
- ✓ Rosie's Girls is in the green and white building straight ahead.

BARRE

Rosie's Girls is in the Construction Technology section at Spaulding High School/Barre Technical Center in Barre, VT.

FROM DOWNTOWN BARRE:

- ✓ At the Aldrich Library, bear right onto South Main St.
- ✓ At the 2nd light, turn left onto Ayers St. and cross the railroad tracks.
- ✓ Make an immediate right as soon as you cross the tracks, and follow the drive into the Spaulding High School / Barre Technical Center campus parking lot. (note: this right turn is easy to miss – it looks like a driveway and if you look carefully you'll see a sign)
- ✓ The Construction Technology end of the building is on your left with a big white garage door.

FROM INTERSTATE 89:

- ✓ Take the South Barre exit (exit 6).
- ✓ At the first light, take a left onto South Main St.
- ✓ At the 2nd light, take a right onto Ayers St. and cross the railroad tracks.
- ✓ Make an immediate right as soon as you cross the tracks, and follow the drive into the Spaulding High School / Barre Technical Center campus parking lot. (note: this right turn is easy to miss – it looks like a driveway and if you look carefully you'll see a sign)
- ✓ The Construction Technology end of the building is on your left with a big white garage door.
