

CAREER *challenge* DAY

FREE Event for 8th-10th Grade Girls

Wednesday, Nov. 15, 2018 | 8:30 am - 2:20 pm
Randolph Technical Career Center

Career Challenge Day at RTCC is a one-day career exploration event for girls and non-binary identifying students in grades 8-10. Meet people shaping the technology landscape of Vermont. Explore career pathways and extended learning activities for your Personalized Learning Plan.

This event is open to all girls not just those interested in going to RTCC.

Featured Workshops:

Diversified Agriculture
Automotive Technology
Criminal Justice/Cyber security
Digital Filmmaker • Diesel Technology
Construction Trades & Management
Environmental Resource Management
Advanced Manufacturing
