Career Challenge Day is a free event for girls and gender non-conforming youth in grades 6-9 in BTC's
sending area. CCD introduces students to careers they may not be exposed to, and allows them to explore
their local tech center in a safe, fun, and empowering way. Vermont Works for Women and BTC have
offered CCD for several years. We are excited to bring this opportunity back in person this year! Please
return completed forms to school by 5/3/22. Schools must send complete forms to VWW by 5/4/22.
Schools transport students to and from the event. BTC provides snack/lunch.
