### 2020 ROSIE'S GIRLS CAMP GUIDE

Rosie's Girls is a trades and career exploration program for middle school girls and gender non-conforming youth. At Rosie's Girls, participants are exposed to a career field that is non-traditional for women through hands-on learning in a supportive environment. In addition to trades and technical learning, Rosie's Girls includes a social and emotional curriculum known as "Power Skills."

Rosie's Girls staff is highly trained in creating a space that is both physically and emotionally safe and empowering for all, and which encourages participants to lift each other up in trying new things and taking risks. Enroll your child in Rosie's Girls® today!
