

# GIRLS TECH!

## Auto Body Repair and Auto Technology

### Activity Guide created by BTC's teachers

#### Prerequisite background work:

In advance of Girls Tech, students participating or interested in the Automotive Science & Technology and the Auto Body Repair programs will record Vehicle and Tire information as outlined in the Vehicle/ Tire Information form. You may complete these forms using information from any vehicle you have access to (for example, your parent/guardian's vehicle). See the completed example and the supporting videos for assistance in completing your own blank form.

Students completing the prerequisite work and submitting this material to either Bob Church, the Auto Technology teacher, at [rchurch@bsdvt.org](mailto:rchurch@bsdvt.org) or Sam Caron, the Auto Body Repair teacher, at [scaron@bsdvt.org](mailto:scaron@bsdvt.org) by May 1<sup>st</sup>, 2021 will receive a google meet link for our Girl's Tech session on May 5<sup>th</sup>, 2021.

#### For the live, virtual Girls Tech event on May 5<sup>th</sup> from 10-11am:

For those students participating on May 5<sup>th</sup>, **you will need access to a vehicle and you will need a quarter or a penny.**
